

myden♥er

MyDenver is a celebration of all the things we love about our city (especially downtown!): the restaurants, events, public spaces, volunteerism, community, art, culture, and so much more that makes the city unique and vibrant to each of us as individuals. MyDenver is here to remind those that have not been downtown recently that our city has not only held strong but also has something to offer to everyone. Beyond that, it is a reminder that we each have a responsibility to care for and build this city, together. Here are some ways to get involved:

GET OUT THERE

Use our [Google map](#) to find open places to eat lunch, take your team, or get a sweet treat along the 16th Street Mall. Send your colleagues out for lunch instead of ordering in and experience downtown's increasing activity!

LOOP US IN

What's going on that you're excited about? What's new with your business? How can we support your team? Tell us! Email info@downtowndenver.com or tag us on social media using @downtowndenver.

CLEAN & SAFE

Download the app to report anything that needs attention within the Downtown Business Improvement District, now available for iOS and Android. Find more information [here](#).

BE A STAR

Post about what you enjoy about returning to the office and downtown! Tag us in your social media, and we'll amplify your stories. Then, fill out our [Faces of Denver](#) survey for the chance to be featured interview-style on our social media and IKE screens on the 16th Street Mall!

GIVE BACK

Volunteer opportunities are cropping up left and right. Get your teams together and join us to make downtown a brighter, safer place. If you have volunteer project ideas or connections to organizations that need help, let us know. MyDenver is also gratefully accepting donations of up to \$5,000; find the link to give back on our website below.

LEARN MORE

Visit www.thisismydenver.com or scan the QR code for up-to-date information and resources. We can't wait to see you around downtown!
